

Welcome to the Albright-Knox Art Gallery!

MISSION

The Albright-Knox Art Gallery, one of the nation's oldest public arts organizations, has a clear and compelling mission to acquire, exhibit, and preserve both modern and contemporary art. It focuses especially on contemporary art, with an active commitment to taking a global and multidisciplinary approach to the presentation, interpretation, and collection of the artistic expressions of our times. In an enriching, dynamic, and vibrant environment that embraces diverse cultures and traditions, the Gallery seeks to serve a broad and far-reaching audience.

VISION

It is the commitment of the Albright-Knox Art Gallery to be one of the world's best and most dynamic modern and contemporary art institutions.

It will be recognized locally as a vital and energetic cultural gathering place and as an indispensable educational resource for the community.

Through its outstanding programs, creative collaborations, and an extraordinary new addition that will address pressing space issues and important programming initiatives, the Gallery will attract a growing national and international audience to the Buffalo/Niagara Region.
