AT WORK

Business Partnership with the Albright-Knox Art Gallery

Exploring art helps us find new ways to see things, shift our perspective, and develop our creative-thinking and problem-solving skills. The Albright-Knox Art Gallery invites you and your employees to attend a series of events throughout the year that build job skills through the exploration of one of the world's most acclaimed art collections.

Join AT WORK, our business partnership program, and sessions are FREE to you and your employees. And business partnership comes with even more benefits.

As an AT WORK Partner, you are supporting one of Western New York's most renowned cultural institutions.

PARTNER BENEFITS:
